

Northeastern Technical College's Division of Continuing Education Presents:

Construction/Pre-Pipe Welding

A course to prepare you for the construction welding industry

March 3 – May 26, 2009
Tuesday and Thursday from 8:00 am - 5:00pm
Fridays from 8:00 am – 12:00pm
NETC Cheraw
Cost: \$2,580*

This 256 hour training program prepares you to go into the Construction Welding Industry by helping you to become proficient in both ARC and TIG welding. After completing this training, you will also be eligible to apply for the Pipe Welding Academy at Florence-Darlington Technical College.

The program consists of Basic and Advanced ARC welding and Basic and Advanced TIG welding. Classes are scheduled to begin March 3 and will be held on Tuesday and Thursday from 8 am until 5 pm and Friday from 8 am until 12N.

*Cost per module: Basic ARC - \$595; Basic TIG \$595; Advanced ARC \$695; Advanced TIG \$695. ***This course is WIA approved.***
