

Northeastern Technical College's Division of Continuing Education Presents:

Gunsmithing II

June 16 – September 8, 2009
Tuesdays, 6:30 pm – 9:30 pm
NETC Cheraw – Room 706
Cost: \$89.00

Gunsmithing II will begin on June 16 and will meet once a week for 12 weeks.

This class is a continuation of Gunsmithing I and is intended for anyone interested in how guns work, how guns are assembled, how guns are cleaned, or for anyone who owns a gun or has a gun in their home. You will learn:

- **An introduction to building 1911 automatic**
 - **Building lower receiver**
 - **Building upper slide barrel**

Concealed weapon permit holders can also use this course for their continuing education requirements. Henry Griggs will be the instructor for this course and has 17 years of experience at Southland Gunshop in Darlington. He has also been trained through the North American School of Firearms. A gun kit purchase will be required and discussed on the first night of class.

*For more information or
to register for this class
