

Northeastern Technical College's Division of Continuing Education Presents:

Gunsmithing

March 3 – May 26, 2009
Tuesdays, 6:30 pm – 9:30 pm
NETC Cheraw
Cost: \$89.00

Gunsmithing will begin on March 3 and will meet once a week for 12 weeks. This class is intended for anyone interested in how guns work, how guns are assembled, how guns are cleaned, or for anyone who owns a gun or has a gun in their home. You will learn:

- **Shop and firearm safety**
- **Choosing, making and using proper tools**
- **Breaking down and cleaning firearms**
 - **Reading schematics**
 - **Working on firearms**

Concealed weapon permit holders can also use this course for their continuing education requirements. Henry Griggs will be the instructor for this course and has 17 years of experience at Southland Gunshop in Darlington. He has also been trained through the North American School of Firearms.

*For more information or
