Required Certification and Affidavit:

State law requires that a student receiving the State Need Based Grant must certify that he/she has no criminal record, has never been convicted of a felony as defined under State Statute Section 16-1-10, and is of good moral character by submitting a signed affidavit to the institution. The student must sign this affidavit. Any false information provided by the student or any attempt to obtain, expend, or attempt to expend any need-based grant for unlawful purposes or any purpose other than payment of reimbursement for the cost of tuition and fees and other educational costs at the institution authorized to award the grant will be cause of immediate cancellation of the need-based grant. Any student who has obtained a need-based grant through means of a willfully false statement or failure to reveal any material fact, condition or circumstances affecting eligibility will be subject to applicable civil or criminal penalties, including loss of the need-based grant.

This certifies that I am of good moral character and have never been convicted of a felony as defined under State Statute 16-1-10. In addition, I have not been convicted of a crime and have no criminal record.

I certify that I will use the need-based grant funds for appropriate educational purposes at Northeastern Technical College and that I have not obtained a two-year or four-year degree.

I further certify I do not owe a refund or repayment on any State or Federal educational grant, and I am not in default on any federal loan program. All of the information that I have submitted to determine my eligibility is true and complete to the best of my knowledge. I have read and understand the conditions I must maintain upon receipt of the SCNBG. Also, I understand that eligibility will be determined each year by submitting the Free Application for the Federal Student Aid.
