

Northeastern Technical College

MAT 150

Fundamentals of Math

Course: MAT 150

Title : Fundamentals of Math

Credits :3 hours

Instructor:

email:

Office:

Telephone Number:

Office Hours :

Prerequisites: Acceptable placement score or satisfactory completion of Developmental Math.

Description: This course includes the following topics: Elementary number theory; Basic Algebra and Geometry; English and SI measurements, ratio and proportion; Statistics and graph interpretation.

Textbook(s) or Alternative: Prealgebra – 4th edition, Aufmann, Barker, and Lockwood.

College Wide Competencies: Apply mathematical/computational skills to solve problems.

Learning Outcomes: The student will demonstrate an ability to perform arithmetic operations with integers, rational, decimal and real numbers and to apply these skills to introductory algebra operations.

Attendance: (Math Department Policy) Students are expected to attend all scheduled classes and are responsible for all class work, homework, notes, etc., whether or not they are present. In the event of extenuating circumstances, such as illness, you are allowed to miss **up to 8** hours. The student will be dropped after missing more than 8 hours of scheduled classes. If an instructor drops a student for excessive absences at any time during the semester, a grade of AF@ will be assigned. If the student withdraws from the course, a grade of AW@ or AWF@ will be assigned as outlined in the college catalog. **THERE IS NO SUCH THING AS AN EXCUSED ABSENCE!! IF YOU EXCEED THE ALLOWED NUMBER OF ABSENCES, YOU WILL BE DROPPED.** A student is considered tardy if not present for roll call, which is taken at the beginning of the class. Three tardies constitute 1 hour of absence.

Academic Dishonesty: Students are expected to do their own work. Please refer to the NETC Student Code and Grievance Procedure for a definition of academic dishonesty and an outline of the disciplinary action that may result.

Student Disabilities:

Students with disabilities are encouraged to contact the Vice-President for Student Services to discuss needs or concerns as they pursue an academic program and participate in campus life. The Vice-President for Student Services will provide guidance regarding official documentation of disabilities and/or accommodation

of needs.

Classroom Etiquette:

1. Electronic communication devices (pagers, cell phones, etc.) are NOT allowed in the classroom. On-call emergency personnel should see the instructor for an exemption.
2. No visible food or drinks are allowed in the classrooms.
3. No radio or headphones are allowed in the classrooms

ID Policy:

It is mandatory that every student wears his/her ID at all times when on the Cheraw campus .

During the first week of classes, the instructor will issue a reminder to wear the ID. This reminder is a warning.

After the first week of classes, instructors are required to dismiss students without an ID from class. The student may get his/her ID (or a new one in Student Services for \$3.00) and return to class before the midpoint of the class. If the student cannot get an ID and return to class by the midpoint, the instructor will record the absence.

Evaluative Methods to Appraise Objectives: Chapter or topical tests and a final exam will be given. The final average will be 80% of the test average plus 20% of the exam.

Make-up Test Procedure:

No make-up tests are given except in extenuating circumstances. The **student** is responsible for contacting the instructor **prior** to the time the test is scheduled, to arrange a meeting to discuss the process of making up the missed test.

Grading Scale:

The grade point scale that will be used is as follows:

A = 93 - 100

B = 85 - 92

C = 77 - 84

D = 69 - 76

F = below 69

TENTATIVE SCHEDULE

<u>WEEK</u>	<u>SECT</u>	<u>TOPIC</u>	
1 - 2	2.1 – 2.3	Integers	Test 1 _____
3	2.5	Order of Operations	Test 2 _____
4 - 5	5.1 – 5.3	Variable Expressions	Test 3 _____
6 - 8	6.1 – 6.3	Equations	Test 4 _____
9 - 10	6.4 9.2,10.2	Translating Sentences into Equations Problem Solving	Test 5 _____
11 - 12	5.4 – 5.6	Variable Expressions	Test 6 _____
13 - 14	6.5 – 6.6	Rectangular Coordinate System	Test 7 _____
15	7.1 – 7.4	Measurement and Proportion	Test 8 _____

Review/ Final Exam
