ACADEMIC DISHONESTY: NETC honors the state TEC Student Code with regard to Academic Dishonesty. Students should read the Student Code. Copies of the Student Code are available in Student Services. Additional copies may be posted in instructional areas. Cheating and plagiarism will be punished in an appropriate manner and may result in extended disciplinary action.

ATTENDANCE: Realizing that attendance is essential for the successful pursuit of any academic discipline, students are expected to attend class regularly. Any student who misses more than 20% of a class (9) will be dropped from the class with an unsatisfactory grade of **F**.

TARDY POLICY: Arriving late for a class not only disrupts a class in progress but interrupts the learning process. A tardy is defined as the arrival of a student to class after attendance has been taken. Three tardies will constitute a full absence. Leaving class early is counted the same as a tardy and incurs the same penalty.

TURN OFF ALL CELL PHONES AND BEEPERS DURING CLASS !

MAKE UP TESTS: Make up tests are given for legitimate reasons (illness, family emergencies, work related issues, etc.) and excuses are required. All make up tests are given in the Success Center.

CLASS WITHDRAWALS: It is the student's responsibility to withdraw from the class should he/she wish. **The last date to withdraw without a grade penalty is April 14.**

STUDENT ID: It is mandatory that every student wear his/her ID at all times. The instructor will dismiss students without ID from class. The student may get his/her ID and return to class before the midpoint of the class. If the student cannot get his/her ID and return to class by the midpoint, the instructor will record the absence.

DISABILITIES STATEMENT: Students with disabilities are encouraged to contact the Vice President for Student Services to discuss needs or concerns as they pursue an academic program and participate in campus life. The Vice President for Student Services will provide guidance regarding official documentation of disabilities and/or accommodation of needs.

INCLIMATE WEATHER: The dates for classes and exams may be changed based on inclimate weather including snow/ice days. Information on the status of college operations can be found on WBSC, WCRE, WPDZ and other radio stations in the area. Cancellations of evening classes will be announced over the same radio stations by 4 p.m.

EXTRA CREDIT ASSIGNMENTS

First Half: The Great Depression was a defining period in American History and Politics. Examine the lyrics (1949) from the song ***Big Rock Candy Mountain*** in the motion picture ***O Brother, Where art Thou?*** and write a three page paper (12 font,

doubled spaced, standard margins) concerning the problems, hopes, and aspirations of America's unemployed and displaced during this period.

Second Half: The song, ***Fortunate Son***, which was written by John C. Fogerty in 1969 emerged as an anthem for the anti-war movement in the Viet Nam period and yet resurfaced post 9-11-2001 to revive patriotism. Write a three page paper (12 font, double spaced, standard margins) on what it tells us about service in the military during Viet Nam and how this turnabout occurred.

Extra credit assignments are due at the Mid-Term and Final Exam testing periods. They must be presented in hard copy form. **No Attachments, No Extensions, No Exceptions.**

The instructor reserves the right to alter the reading assignments, class schedule, and test dates based on the College schedule, availability of media materials, Acts of God, etc.
